

"A FUSION OF FAITH AND FUN"

November 27, 2007

To Whom It May Concern:

*Creative For Kids* just finished work on and an extensive mural project in our Children's Wing, here at *Visalia NAZ*, and we couldn't be happier. Randy Triplett and his team did a marvelous job at bringing our dreams to life.

Throughout the project Randy's extensive experience in Children's Ministry was a huge help, as he guided us through the steps of developing our ideas, and making them happen. He kept a wonderful balance of treating us personally, and treating the job professionally. Our regular attenders were stunned at both the quality and speed of his work. I tried to play it cool, since we promised everybody it would look great, but secretly, I was amazed too. We dealt with several members of Randy's staff, from illustrators, to administrators, to the artists putting the paint on the walls, and every one of them was a delight to work with too.

Randy Triplett and *Creative For Kids* have my unflinching recommendation. They are a great organization that will make you proud.
